

Judge Bartley, 74, Dies In Chambers

Circuit Judge James V. Bartley, of Joliet, died suddenly in his chambers this Tuesday. He was 74 years old and had served on the bench of the 12th judicial circuit for the past 26 years.

He was operated for a kidney condition about two months ago and had returned to his duties on the bench about two weeks. He was found dead in his chambers at 1:35 when his secretary for the past 26 years, Miss Edith Anderson, returned from lunch. He apparently suffered a heart attack.

Born at Shawneetown, Ill., he began the practice of law there in 1915. In 1917 he came to Joliet at the invitation of the late Senator Richard J. Barr and became associated with the law firm of Barr, McNaughton and Barr, later Barr and Barr and remained there until his election to the circuit bench in 1939. He was re-elected five times. He was appointed to the appellate bench in 1945 and served there three years.

An excellent lawyer, he attained quite a reputation

as a judge. Few of his decisions were ever reversed by the upper courts. As appellate judge he gave a decision in a libel case that is accepted as a ruling case.

Judge Bartley is survived by his widow, the former Frances Metzger, a son, James M., two daughters, Mrs. Mary Frances Draper and Mrs. Nancy Jeanne Hall, and 20 grandchildren. Removal was to the Fred C. Dames funeral home, Center at Campbell, Joliet, but funeral arrangements are incomplete.

PANCAKE DAY cooks get briefing from Walter Welsch, chairman of the committee in charge. For a man who has spent years measuring board feet, Mr. Welsch is a pretty good hand on that cup and ounce stuff too and is keeping a watchful eye on the technique of Paul (Skip) Smith, (left) while Frank Holiday (right) is chiming in with advice, showing with thumb and forefinger just how much of such and such to add to make the cakes super. This scene was taken from a dry run for the Mokena Lions annual Pancake Day to be held this Saturday, April 3, in the all-purpose room of the new addition to St. Mary school, 195th and 115th ave. Last year the affair was held in St. Mary hall on Wolf road but it was overcrowded. The new school will provide more room and better all-round facilities. The Lions hope for a big turnout of pancake hungry people. Sausage too, you know. (Behnke photo)

Fire Destroys Larry Vaughn Home; Routs Family From Beds

The Larry Vaughn family, formerly of Lincoln Estates but for the past 10 months residents of Green Garden township about five miles west of Monee, were left homeless last Friday morning after fire routed the members from their beds. Mr. Vaughn is a former commander of Bobzin-Swinford American Legion post at Frankfort.

The house, a large farm dwelling, and the contents, were destroyed. Loss on the contents alone was estimated at more than \$7,000 by Mr. Vaughn.

There are 10 members in the family, Larry and his wife, Gladys, and eight children ranging in age from 11 months to 16 years.

Since the fire they have been living with Mr. and Mrs. Harry Wheatcroft, and their three children. Mr. Wheatcroft is principal of the Green Garden grade school.

The fire was discovered a few minutes after 5 o'clock last Friday morning. One of the boys, Kenneth, 13, woke up at that time and found the bedroom filling with smoke.

He roused the other youngsters and they ran downstairs, where the parents and the infant were sleeping, and awakened them.

The smoke was so thick then the family members could not see to salvage any clothing and fled the house in their night attire, with the temperature far below freezing. Mr. Vaughn gave an alarm and fire departments responded from Monee, Crete, Peotone and Frankfort.

Smoke was so thick in the house that firemen could not find the seat of the fire until too late to check it. Use of smoke ejectors and masks were useless. When it went the whole house seemed to burst into flame. Only the exterior walls were left.

The Vaughns raise pedigreed Pekingese dogs and there were six in cages in one of the back rooms. Mr. Vaughn crawled to the room on the floor, so he could breathe, and opened the cages. Five of the dogs followed him out of the house. He went back to try and save the other one but was unable to reach it.

"I believe that the stoker for the furnace became stuck," Vaughn said, "because when the flames broke thru the living room floor, above the furnace, I could hear the stoker still working."

The family retired about 10 o'clock Thursday night and it was believed that joists in the furnace area became overheated, became ignited and then smoldered for hours.

"People have been wonderful to us," Mr. Vaughn said, "and we can't begin to express our appreciation for all that has been done. The firemen took many chances in fighting the fire the way they did. The Wheatcrofts took us in and dozens of persons have brought us clothing and are prepared to help us out with furniture and furnishings. Neighborliness is a wonderful thing."

The Vaughns sold their home in Lincoln Estates 10 months ago and since then have been renting. They had some insurance on the contents of the house but not nearly enough to cover the loss, they said.

Frankfort Twp. Voters Make Decision Tuesday

The first of several elections slated for this month is to be held Tuesday, April 6, when the townships elect officers for the coming four years.

Frankfort township will elect a supervisor, town clerk, assessor, collector and three town auditors. The polls will be open from 6 a.m. to 6 p.m.

The Mokena park district will elect two board members, also on April 6.

The schools districts will elect board members April 10 and on April 20 the municipalities will choose their officers for the next four years.

The town election in Frankfort township this year is hotly contested for the first time in a number of years. There are several things different this year. In the past town tickets did not use regular party names and nominations were made by filing petitions.

This year a ruling from the state's attorney's office relating to townships of this size was taken to mean that party caucuses were to be held, Town Clerk Harold

Cooper said, and he set up dates for Republican and Democrat caucuses. The Republicans met and nominated a ticket but the Democrats did not attend their caucus.

A People's party ticket was filed, however, by means of petition, on which there are said to be some Democrats and some Republicans, so there are two full tickets in the field.

Numerous meetings have been held in various parts of the township and at some, attended by candidates from both parties, there have been some debates and the people in the audience asked questions.

All of the Republican candidates, with the exception of Richard Heim, of Arbury Hills, and Rudolph Urbano, of Lincoln Estates, candidates for town auditors, are incumbents and running on their records and knowledge and experience in the duties of the jobs they seek. Their opponents contend they can do the job better, and so the battle is joined.

Supervisor George Tate, of Frankfort, who is seeking re-election, is opposed by Ted Massey, a Frankfort service station operator.

Town Clerk Harold Cooper, Mokena, who has held the office for several terms, is a car dealer. He is opposed by Al Behnke, a professional photographer who resides in Arbury Hills.

Harold A. Smith, of Frankfort, assessor, who is an accountant, is being opposed by August (Gus) Santoro, Frankfort, an attorney.

Burnett Schram, town collector, who operates a barber shop at Frankfort, is opposed by Leo J. Marcoux, of Mokena, a retired industrialist who is now operating a real estate firm specializing in industrial property.

Two mentioned previously, Heim and Urbano, with Gus Werner, an incumbent, are the Republican candidates for town auditors.

The People's party candidates for these three places are Cal Heath, Lincoln Estates where he is a member of the Ann Rutledge school board, Mrs. Florence Pitman, a writer, of Mokena, and Wilbur Schalk, of Sunny Acres.

There are but two candidates for the two places on the Mokena park board, Arthur Omland, who was appointed to complete the term of George Carlyle, who moved away, and William Steen, of Lincolnwood Hills. The polling place for the park board election is the Cooper and Hostert garage, Mokena. It will be open the same hours as for the town election 6 a.m. to 6 p.m.

Frankfort township polling places are located as follows:

- No. 1 - Frankfort village hall.
- No. 2 - Cooper and Hostert garage, Front st., Mokena.
- No. 3 - Viola Hostert garage, 19502 Wolf rd., Mokena.
- No. 4 - VFW hall, Wolf rd., Mokena.
- No. 5 - Ann Rutledge school, Lincoln Estates.

Expect Tentative Figure On Township Census By Tomorrow

A tentative figure for the population of Frankfort township is expected to be available by tomorrow, according to Martin Bauer, of the U.S. Census Bureau who is supervising the undertaking.

The census got underway Tuesday, March 23. Headquarters for Mr. Bauer were established at the Frankfort fire station. It was there that he instructed the enumerators and it is there they report.

The weather was a handicap to the census takers for

the first several days, the snow making walking and driving treacherous.

Most of the people called upon have been cooperative, the enumerators reported, but there are some who have failed to go to the door and a few have refused to answer any questions.

There are few questions asked, as a matter of fact, it was pointed out. All the enumerators want to know is how many persons -- infants, children or adults -- reside at the address, their names and ages.

In some instances where no one was home or failed to respond to a knock the information was obtained from neighbors. In cases where persons are reticent about telling their ages the enumerators are privileged

MARTIN BAUER

to set down an approximate age.

For the benefit of those who were not home when the enumerators called a blank is carried in this edition which they may fill out and mail to census headquarters at the Frankfort Fire Station.

It was originally intended to hire 12 enumerators but to speed up the job 16 were employed. Enumerators are paid at the rate of seven cents a name so the number does not add to nor detract from the cost, it was pointed out.

The enumerators are: Florence Bell, Lois Hossbach, Ezra Marti, Clara Matthews, Karen Weichbrodt and Marie Weichbrodt, of Frankfort; Dolores Barrenz, Irene Benson, Henry Clark, Marium Clark, Berti Lou Mackey and Rebecca Maly, of Mokena; Jerry Kovar and Donna White, of Lincoln Estates, and Barry and JoAnn Diercouff, of Arbury Hills.

The expense of taking the census will be born by three governing bodies, Frankfort township, and the villages of Frankfort and Mokena on a pro-rata basis.

Supervisor George Tate, Town Clerk Harold Cooper and other town officers were instrumental in getting the census project started. The two villages are expected to reap a financial advantage from the program. They receive a share of the motor fuel tax collected by the state at the rate of some \$5 a head. So any increase in population they have over the totals of the 1960 census will add to their revenues, as it is believed both villages will show gains.

If the population of the township reaches 7,500 or

FRANKFORT AND MOKENA BANDS MAKE FINALS

The Frankfort and Mokena grade school bands, both directed by Perry Friedman, received superior ratings at the state district band contest held last week-end at Mokena.

The superior ratings entitle the two bands to compete for state honors in the final contest for bands from their size schools. The state finals for those bands will be held in May at Spring Valley.

L-W Band Boosters Net \$204 At Solo Contest

When members of the Lincoln-Way Band Boosters met for its March meeting it was announced the net profit from the recent band and solo ensemble held at the local school amounted to approximately \$204.17.

Robert Taylor, band director and Tom Olson, director of the chorus, sent letters of thanks to all parents who helped during the contest and who donated pies and cakes. He also received many complimentary remarks on how well the contest was organized and how smoothly the contest was handled.

The next contest for chorus and bands appearing in units will be held at Lincoln-Way, Saturday, April 10.

Twenty-two band members participated at the Annual Concert Music Festival held recently at Oak Lawn high school.

President Hammond asked for volunteers to serve as a nominating committee to secure members to serve as Band Booster officers for the 1965-66 school term. Also an auditing committee was appointed to audit the treasurer's books at the close of the May meeting.

As comments have been made to change the meeting night in order to obtain a larger attendance, president Hammond, made a suggestion that the current officers secure a poll of various meetings in the four villages and the night of the week they meet to arrive at a date more advantageous to the majority of the members and report at the April meeting. The officers will also try to plan another money making activity. Suggestions at the meeting included sponsoring the Manhattan PTA show; WLS disk jockey show; for sponsoring a stage play being present-

ed at D'Amico 214. Future band activities include the annual Spring con-

cert to be given, Friday, April 30; tentative plans for a two day tour during Easter vacation and May 1 set for the annual Band Booster banquet.

Minger.

Party bridge was played and prizes went to Margaret Lenz, Elsie Helgersen, Helen Kilpatrick and Nina Geary.

In the beginners group, first prize was awarded to Jeanette Vredenburg; second, Ann Haislet and third, Julia Martie.

Hostess for the next meeting, April 1, will be Elsie Helgesen with Suzanne Hamilton assisting.

L-W Students To Launch "Share-The-Fare" Drive

BY MARGIE OLSON

Tomorrow, (April 2) the "Share-In-The Fare" drive will be launched at Lincoln-Way high school. Student Council members will sell tags to the students before school but the official opening will be the assembly program. Marsha Peterson will lead a panel discussion at which the five foreign stu-

dents from the three Joliet campuses and Lincoln-Way will answer questions put to them by the Lincoln-Way students.

Proceeds from the "Share-in-the-Fare" drive will be given to the Foreign Exchange committee. This money will be used to help send Marsha Peterson, a junior from Manhattan, to Switzerland this summer. By contributing to "Share-in-the-Fare," the Lincoln-Way students feel that, altho they cannot accompany Marsha, they have helped directly in making her trip possible. When Marsha returns, she will try to repay her fellow students by showing them some of the innumerable things she will learn.

The Lions Clubs of Frankfort, Manhattan, and New Lenox, are also supporting a "Share-in-the-Fare" drive by which the citizens in the four towns can do their part in sending a student to a foreign land.

Only a person who has been abroad can tell how much is to be learned from the people of another country. Since it is impossible for everyone to go abroad, the next best thing is to send one representative who will absorb all he can of the foreign culture and bring it back to share with his fellows. The Lincoln-Way students are doing their part; will you help, too?

Town Meeting At Mokena

Annual town meeting for residents of Frankfort township is to be held next Tuesday afternoon at 2 o'clock in the VFW hall on Wolf rd., Mokena.

After a moderator is chosen the meeting will hear and consider the reports of town officials and to adopt an appropriation ordinance to meet the necessary expenses of the town and decide any measures that may come before it.

While town meetings, in any township, from the largest to the smallest, attract little attention from the public in this action, they are the oldest form of government in the United States. They are always open to everyone inclined to spend a short time to look into town budgets and appropriation ordinances but officials complain that it is difficult to get people to attend.

Grade Board Members Tell Public Of Schools Needs

At its last meeting, the Orland grade school board reviewed progress made in its efforts to inform the community of its financial and building needs. Since December, pairs of school board members have attended many meetings in the community.

The following couples hosted coffee meetings in their homes: Mr. and Mrs. Thomas Charnorgorsky, Mr. and Mrs. Roger Kleinpaste, Mr. and Mrs. Vernon Piper, Mr. and Mrs. Daniel Whitfield, and Mr. and Mrs. William Yocius.

These persons extended invitations to their neighbors so those attending were able to address their questions directly to school board members. Thus far, two organizations have invited representatives from the board to attend their meetings: Fairway Improvement Association and the Orland Park Junior Womens' club.

Plans for April include coffee meetings next Monday at the home of Mr. and Mrs. Dale Nehring, and next Thursday at the home of Mr. and Mrs. Ray Momsen. The Orland Park Hills Home Owners Association is reported planning to extend an invitation to their April meeting.

There was a general consensus by the school board members that these meetings have been worthwhile and encouraging to them. An open invitation was extended by the board to all organizations and individuals who might wish to open their homes for similar meetings. A telephone call to the district office at FI 9-0051 will bring representatives of the board into a neighborhood to discuss the educational needs of the district.

Several months ago when reviewing the defeated proposals brought to the public last October, it was determined that the bond issue and referendum were defeated largely because of misinformation and a lack of information in many quarters of the community. It was stated that the board's efforts to bring the problems of the district to the public will require every avenue of communication. A general "thank you" was extended to all those who have been kind enough to open their homes to the board.

PLANS FUN NIGHT

The Orland Park Chamber of Commerce will hold "Las Vegas Nite" Friday, April 23 beginning at 9 o'clock at Silver Lake Country club. The price of \$4.50 per person includes \$500 worth of play money, dancing, smorgasbord and prizes which will be auctioned off during the evening.

Will Give Operetta

"Streamlined Cinderella", an operetta with an unusual twist, will be presented Friday, April 9, by the Arbury Hills School. Curtain is 8 p.m.

The cast includes 7th and 8th grade boys and girls and is under the direction of Mrs. Lora Gilbert, music teacher.

Harold Fitch and Nancy Landfried, 8th graders, have the leads of Prince Dean and Cindy Lou, the prince's favorite girl. Others in the cast are: Vaughn Karkos, Diane Veltman, Jill Ferro, Jackie Ferro, Philip Keto, Douglas Fife, Janet Rochelle, Barbara Klein, Stephanie May, Pat Nyder, Blair Neumayer, Butch Biddle, James Rochelle, Dennis Williams, Linda Scott, Joyce Funick, Glenna Monson, Linda Cooper, Robert Doner, Robert Linkowski, Larry Lawson, Steven Watkins.

13 Fined For Traffic Violations

Thirteen traffic fines were levied in the Mokena Branch of the Will County circuit court by Magistrate Robert Burns. The following fines were imposed:

Driving after license suspension: Michael L. Goddard, Mokena, \$65, plus court costs of \$10.

Disobeyed stop sign: Donald H. Cleverly, Idaho Falls, Idaho, \$10.

No valid registration or safety test: Ramon E. Schifler, Manhattan, \$15.

Speeding: John T. Malec, Chicago, \$17; Wilson E. Gee, Bourbonnais, \$12; Ralph R. Robertson, Lumberton, Miss., \$15; Alwin Haselow, Hartland, Wis., \$15; Jerome Scott, Crown Point, \$20.

Improper lane usage: Lillie Garrison, Joliet, \$10;

Joseph Walczak, Oak Lawn, \$10; Byron Shook, Council Bluffs, Iowa, \$10.

Vote Republican

TUESDAY APRIL 6, 1965

Vote For The Republican Candidates With Proven Experience And Ability

Vote For A Conservative Economical And Forward-Looking Platform

The Republican Platform:

1. Continue to promote the economic development of Frankfort Township.
2. Promote the improvement and modernizing of Route 30 and other major thoroughfares throughout Frankfort Township.
3. Cooperate with the county mapping and platting program in establishing a comprehensive street naming and numbering system.
4. Exert pressure on the county to prepare and adopt a building code.
5. Stimulate definite action to eliminate pollution of Hickory Creek.
6. Request the Forest Preserve District of Will County to designate and set aside additional wooded areas for public use in Frankfort Township.

The Republican Answer:

1. Through the co-operation of the Republican township and village township officials and citizens, Frankfort has the Superior Match Company, S & S Sink Top, Standard Industrial Compound, Prestwick Country Club, Mokena Wallpaper Co., Mokena Foundry, Hunter Foundry and other new businesses and industries.
2. Route 30 will continue to be the major thoroughfare for Frankfort Township residents, its modernization is a must to eliminate the accidents and deaths that have occurred in recent months.
3. The future growth of our area as shown by all independent surveys shows that a road naming and street numbering system will be a real asset to our township. This program has been endorsed by the County Board and the State Dept. of Revenue and is currently being used in Cook and DuPage County, and was started in Will Co. a year ago.
4. Our township supervisor has advocated a building code for several years. A modern up to date code is a must if Frankfort Township is to have a sound and attractive residential and industrial development. This building code has been held up by the Joliet Democratic supervisors for the last two terms.
5. The villages of Frankfort and Mokena have already eliminated the main source of pollution and the township officials, in cooperation with the Will County Health Board, and the State Dept. of Health can completely eliminate this pollution and make Hickory Creek a safe recreational area for ourselves and our children.
6. The Northeast Metropolitan Planning Commission shows that Frankfort Township is marked for a rapid growth in the next ten years. The Hickory Creek area should be set aside as a beautiful recreational area for the future of this township. Will County has already purchased 903.6 acres of forest preserve land.

In order to furnish the additional services promised by our opposition it would be necessary to increase Frankfort Township taxes by at least 100%.

Noah M. Mason, Former Congressman, Dies At 84

Noah M. Mason, 84, former Republican congressman for this area when Will county was part of the 15th district, died Monday, March 29, at St. Joseph hospital, Joliet, where he had been a patient for three days.

Mr. Mason who lived most of his life at Oglesby had made his home at Plainfield since he retired from congress in 1962. He and Mrs.

Mason resided at 70 James st.

At the time of his retirement, after 26 years in congress, he was ranking minority member of the powerful ways and means committee. Mr. Mason was a conservative but of independent thought that sometimes caused him to ignore party lines.

His independence some-

times got him embroiled with special groups and sometimes he incurred the wrath of Republican leaders. Labor forces were constantly seeking to unseat him the last several terms he served but were never successful. Mason endeavored to follow a course he believed to be for the public interest.

A native of Wales he was brought to the United States

when he was six years old by his parents who settled in LaSalle county. He began teaching school there in 1902 when he was 23 years old and served as teacher and superintendent for 33 years at Oglesby. He also served as state senator from 1930 to 1934 when he was re-elected for a four year term. However, he was elected to congress in 1936 and that

ended his state political and teaching career.

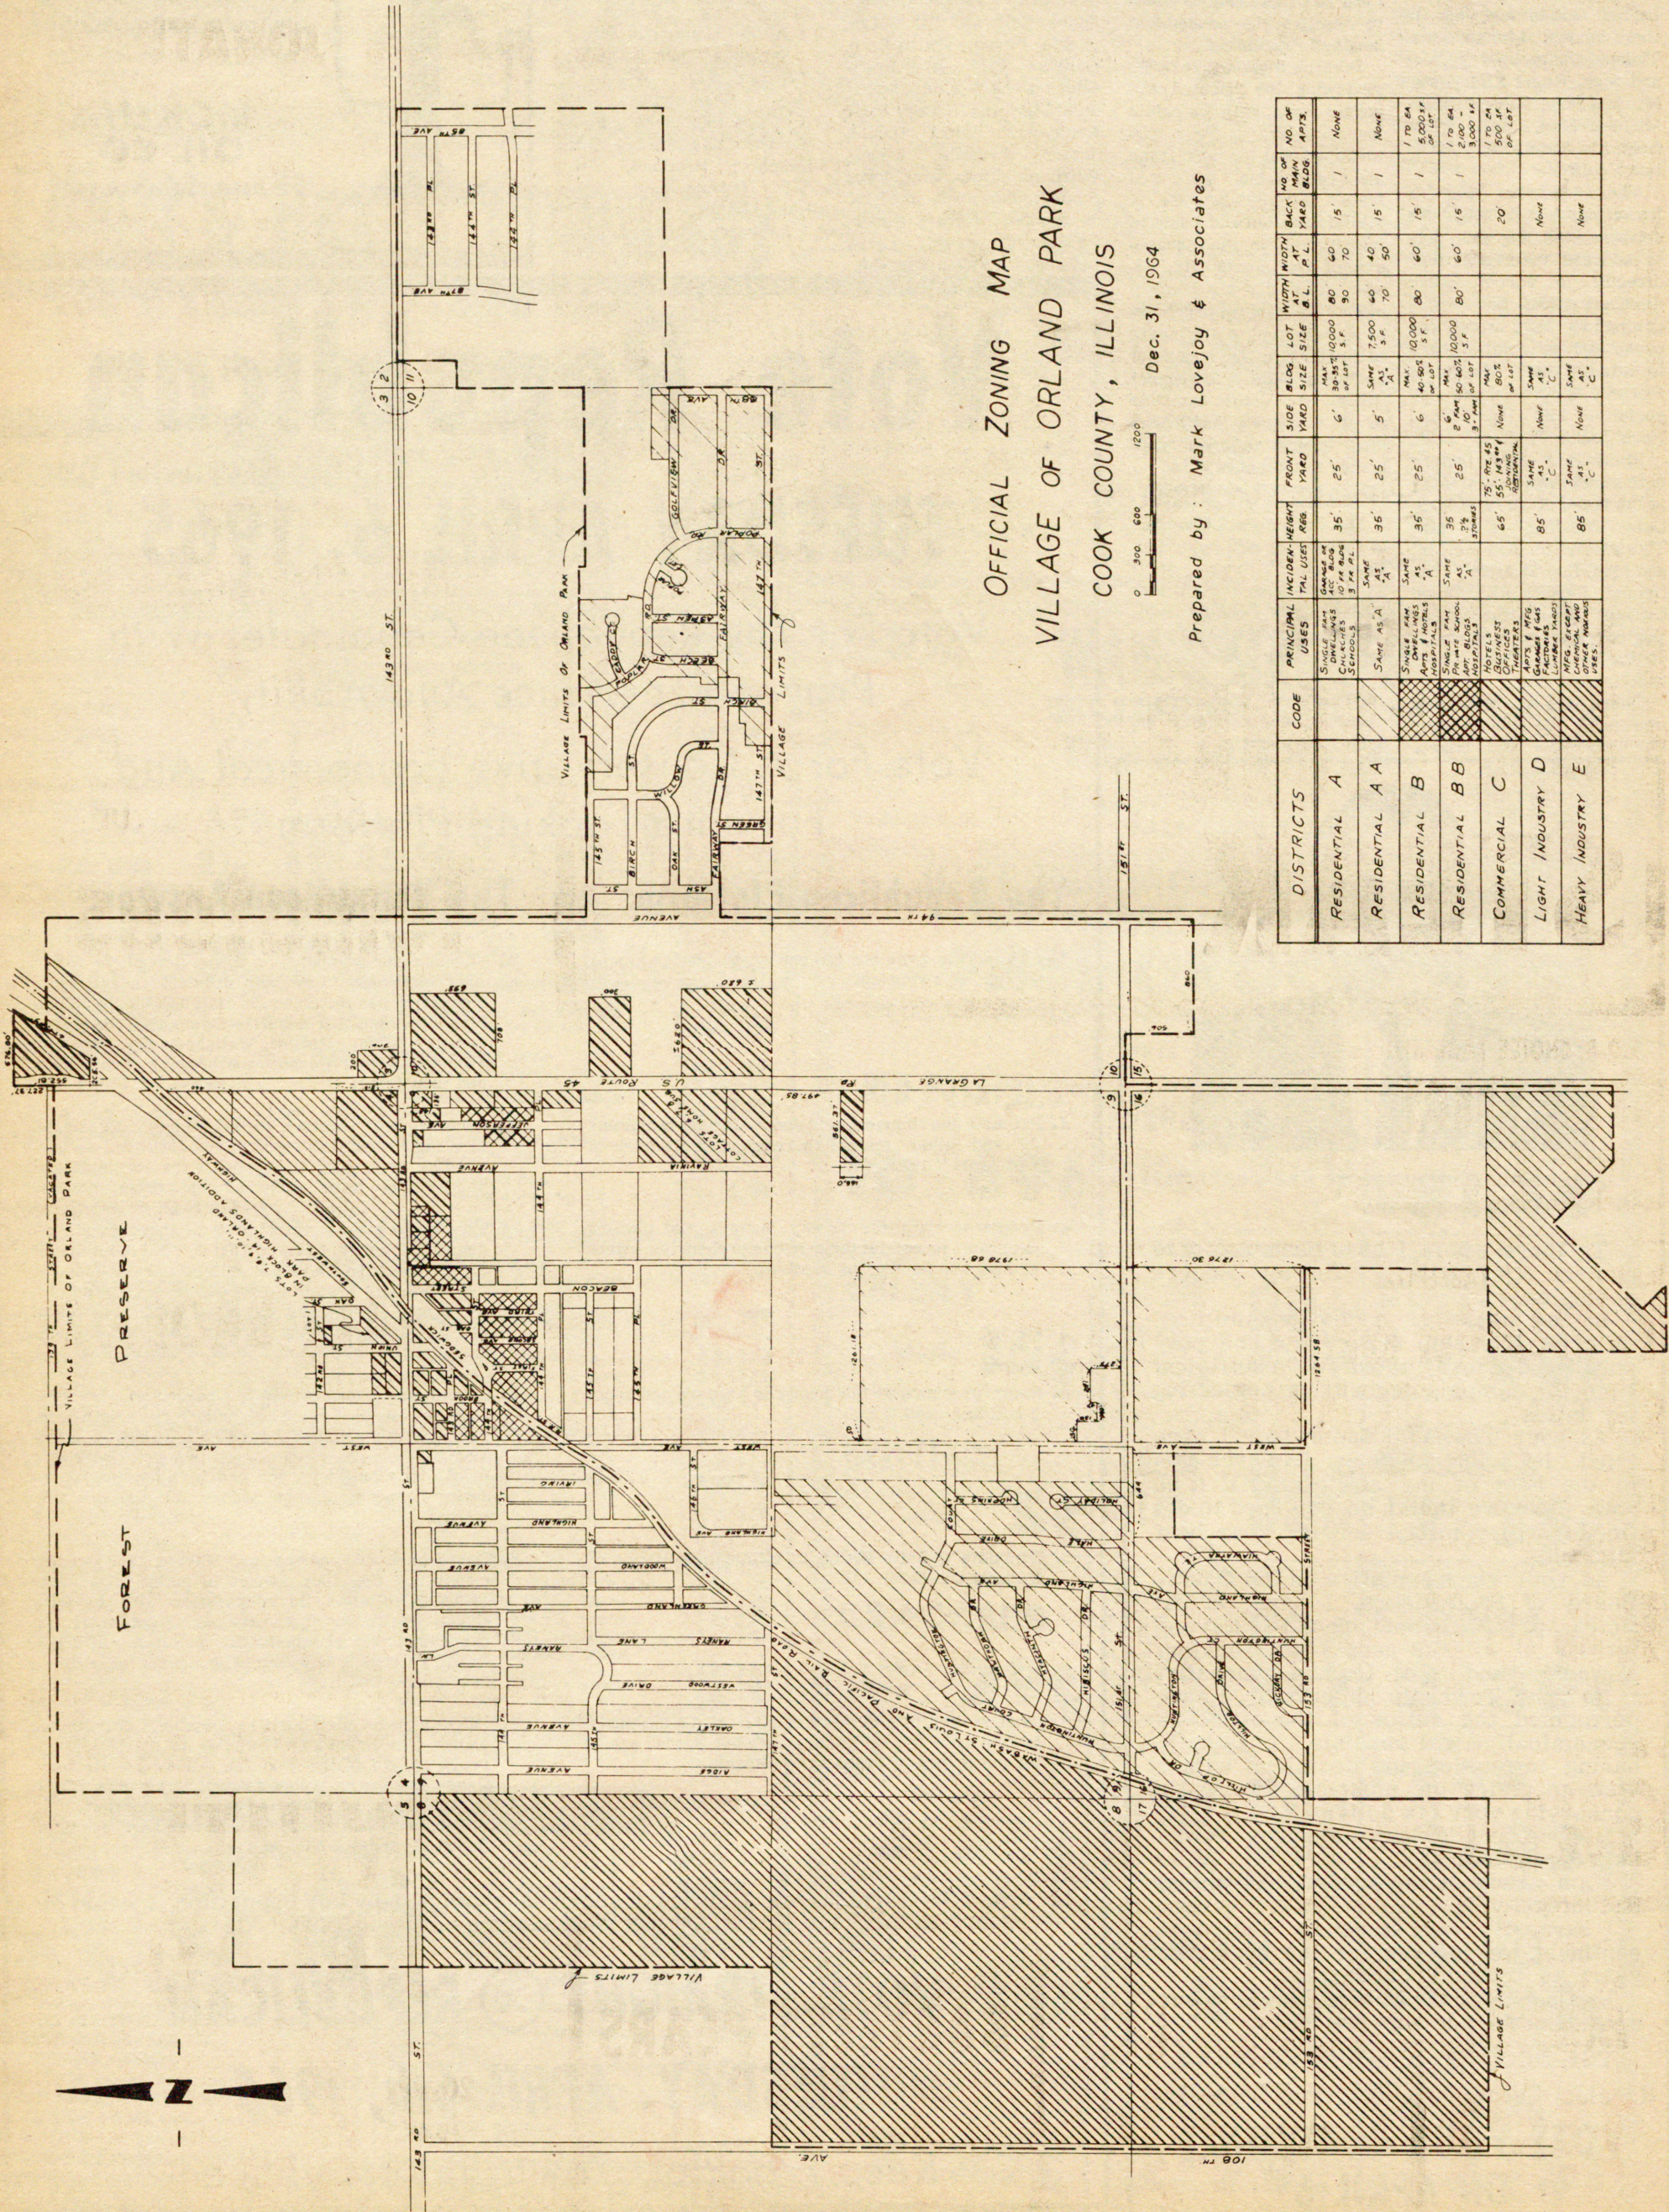

Besides his widow, Coroa, Mr. Mason is survived by two sons, William, of Cleveland, and Paul, of Hinsdale; one daughter, Mrs. Margaret Sallenger, Plainfield township; two sisters, Mrs. Lydia Harshman, Wheeling, West Va. and Mrs. Martha Currie, Chicago; eight grandchildren and one great grandchild.

Mr. Mason was a member of Oglesby lodge, No. 1065, A.F. & A.M. and the

Royal Arch Masons and the Commandery at Peru, Ill.

Funeral services were held yesterday (Wednesday) in the Overman chapel, Plainfield, at 2 o'clock with the Rev. Donald McClintock, pastor of the Plainfield Methodist church, and the Rev. Herbert Null, pastor of the Oglesby Methodist church.

The Mokena Volunteer Fire Department Auxiliary meeting was held March 24 with 9 members attending. The bake sale held Feb. 26 was very successful and plans are still being made on the food preparation for the firemans dance in May.

Donna Mangun, Ada Hoogstra and Cordie Bockmann were appointed as a committee to purchase draperies and rods for the fire department meeting room.

Refreshments were served by Phyllis Koerner and Carole Craigmile.

Part of the proceeds will be used for a donation of black dirt and grass seed to the Mokena Park district for its generous cooperation in permitting the team to use the park for its games and practice.

A midget team for New Lenox is in the talking stage, but almost a certainty, bringing more competition to the immediate area teams.

The ladies of St. Mary's parish will observe a day of recollection on Sunday, April 4 at the church. It will start at 1:30 p.m. and terminate with mass at 4 p.m. This is a special devotion, the purpose being a chance for reflection and the opportunity to listen to a specially chosen speaker. The speaker for next Sunday has not been chosen at this time, but it is a known fact that the priests who conduct a service such as this are well qualified in that field.

Identical services will be held on Thursday and Friday of Holy Week (April 15 and 16) at 7:30 p.m. at the Immanuel Lutheran church. The Lord's Supper will be distributed. The Rev. Dr. A. J. Bueltmann will preach on the topic "A Prayer of Confidence."

Set State Minimum Tillage Field Day

The 1965 Illinois State Minimum Tillage Field Day will be held in Boone County on April 29. Ed and Mary Uphoff, daughter Linda, will be the host farm family to the event this year. The farm on which the field day will be held is one mile south of Garden Prairie on the Garden Prairie black top. Garden Prairie is located on Route #20 approximately 8 miles east of Belvidere.

The farm implement companies participating will demonstrate three different phases of minimum tillage in relation to corn planting, said farm adviser W. F. Whiteside. They will demonstrate equipment in preparing fall plowed ground, spring plowed ground and plow-plant in one operation. They will demonstrate the various pieces of minimum tillage equipment and corn planters that can be used in each phase. The corn will be planted in 30- and 40-inch rows.

The event was held last year in McHenry County, but because of the weather it was impossible to demonstrate the equipment. Several hundred interested individuals, however, attended to see the equipment.

The event is being sponsored by the companies participating, soil conservation service, and the University of Illinois Cooperative Extension Service. The local county extension council and the

county extension crops and chemicals committee are cooperating. Edwin Morris, Caledonia, is chairman of the extension council and Scotty Wainscott, Belvidere, is chairman of the crops and chemicals committee.

Arbury Hills

Civic Group To Make Up Calendar For Area

MRS. EDWARD HOVI
479-5740

The Arbury Hills Civic Association held their regular meeting at the school Tuesday, March 23, at 8 p.m.

The new president, Dick Schwarz, announced that the auditing of the previous years books showed them to be in order, and following the payment of miscellaneous bills, the balance was \$96.44.

Volunteers were asked to work on a project of the work-up of a calendar of events for the Arbury Hills Area. This would set down the regular meeting dates of the various organizations, the regular times of their fund raising, and their regular social events.

There was also a request for volunteers among the men to form a work party to fertilize all the trees in the parkways in Arbury Hills.

The group was also told that the Arbury Utilities Co. was sold to the Citizens

Utilities Co. The sale was prior to March 9. There will be a meeting on the water situation on April 13, at the school.

A sound film, "The Last Case Of Polio" was shown, dealing with the development of treatment and then prevention of polio.

Dr. Merle Otto from the Hedges Clinic at Frankfort, answered questions pertaining to the film.

The meeting was then turned over to the candidates of the two opposing parties in the township election. These elections will take place on April 6, with polling place for Arbury Hills at the Cooper Garage in Mokena.

Al Behnke, a resident of Arbury Hills, introduces his running mates on the Peoples party. After somewhat lengthy speeches by the candidates, the floor was turned over to Dick Heim, also a local man who is running on the Republican ticket, to introduce his fellow candidates.

Not to be outdone these candidates also went into lengthy speeches. George Tate, the incumbent township supervisor, mentioned the magic word, dog, and pandemonium broke loose with heated discussions following with several of the listeners becoming talkers.

Dogs have become a sore point thruout Arbury Hills lately. The dogs have become a serious problem with packs of dogs running together and endangering not only property and shrubbery, but more important our children. Tate pointed out that our problem is not dogs, it is dog owners. Dog owners, please keep your dog confined to his own yard. If the teens were destroying your shrubs a loud cry would be heard. Dogs can not be condemned because of doing dog tricks, the owner must think.

Questions were asked of some of the candidates following the prepared speeches. Unfortunately, the question period had to be shortened due to the lateness of the hour.

A reminder was also given of the school board elections for both Lincoln - Way and Arbury Hills schools which are to take place at the Arbury Hills School on Saturday, April 10.

The Civic Association has been extended an invitation to the meeting in Tinley Park concerning the future of the area and the completion of FAI-80. This meeting was to have been held March 16, but was postponed until March 31.

The clamor for tickets to the bowling party sponsored by the Arbury Hills Boys Baseball League became so loud after all tickets had been sold, that the alleys have been booked for an additional date prior to the September date announced last week.

Another bowling party will be held on May 1 from 9 to 11 p.m. The charge again will be \$3 per person which includes a cocktail hour. There are one hundred tickets to be sold on a first come first served basis, with NO tickets being held out. The sale of tickets will begin April 10 Joe Mangan, 479-3921, is in charge. This is an additional party. There are still plans for a bowling party on Sept. 18.

The need is becoming crucial for the books of S & H trading stamps. Orders will have to be placed with the company for the uniforms. This will take time, and

Thomas Wheeler, Former Village Official, Dies

Thomas Wheeler, 80 years old, late of 14420 Second ave., a retired dispatcher for the Wabash railroad and a former Orland Park village official, died last Saturday, March 27, at St. Francis hospital, Blue Island.

He had been a patient there for a week but had been in ill health for more than a year, however, and in that period had been hospitalized several times.

A native of Murrayville, Ill., where he was born March 6, 1885, Mr. Wheeler had been a resident of the Orland area most of his adult life. He came from a pioneer family.

He was employed by the Wabash for 48 years and retired 10 years ago. He served the village as a member of the board of trustees

DISCUSSES TOWN ELECTION

Dear Sir:

At their recent meeting, the Arbury Hills Civic Assoc. had as their guests the candidates for the township offices. As it was hoped, a very lively and educational discussion developed. The end result of the discussion was that more than a few of us have dug more deeply into some of the issues in this election. I should like to give your readers an opportunity to know about the results of my own "investigation".

The first issue that bothered me was the theory that partisan politics do not belong in our township. When I vote I like to know as much as possible about a candidate, including to which national party's view he or she subscribes. When I attempt to ascertain party affiliation I don't like to be told that a candidate has always been a Republican and then find out that this man asked for a Democratic ballot in the most recent primary. These facts are in the public voting records. It was said partisan politics are fine at the national, state and county level. I'd like to know where our township supervisor represents us if not on the county board.

Also, it was stated that in an election involving partisan politics voters will vote straight tickets rather than judging each candidate on his own qualifications. Yes, be-

cause voters become lazy this very thing happens. We witnessed this very thing last fall when several candidates were swept into office because of party affiliation. The point is that this is still the United States and the choice is still the voter's choice. I don't believe there is a voter in this township that thinks he must vote a straight ticket.

I think the real problem is that one party has had the majority of voter support in Frankfort township and the only way the other party can see a way to win is to try to make party affiliation dirty and dishonorable. Are we all so stupid as to be duped by this type of cowardly maneuvering?

Secondly, much has been said about the office of assistant supervisor. I'd like to ask one question. Did Mr. Santuro, on the behalf of the People's party, agree to waive right of hearing before the township electoral board in return for a certified letter which stated the name would be removed from the ballot? We have been led to believe that the township officials made no attempt to settle the question in any way that would be considered adequate.

Thirdly, I'd like to ask this question. Did we or did we not need a new Will county court house and jail to replace the old facilities which were judged unsafe by two fire marshals? Let us not forget that it is not some far off or illusionary person or group that pays for our new buildings. It is the taxpayers! We need qualified people working for our government. Is it fair to ask these people to function

properly in a firetrap?

Lastly, it is one thing for the People's party to state what the various issues are. It is another thing to state what their concrete plans and cost estimates would be. It's fine to say we need "such and such", but I'd like to know "how" and "how much". You find the answers to these questions and then please vote on the basis of ability, past performance and future plans and not "gobbeley-gook".

Mary Williamson

THANKS CANDIDATES

Dear Sir:

Actually, this letter is addressed to the citizens of Frankfort township.

Candidates from both parties running for township election have gone "all out" making it convenient for all citizens to attend meetings to become better acquainted with each and every candidate.

There are cries for open meetings so the citizen can be well informed. These are open meetings. The candidates welcome you.

Each of the meetings has been in a different location in Frankfort township on different nights of the week. This has been done so it won't interfere with "bowling night", "favorite television program night", or whatever other excuse our good citizens use.

Last week the Civic Organization of Arbury Hills held a meeting where candidates of both parties were present and issues were debated. It was a most interesting meeting and the Civic Organization is to be congratulated for sponsoring such a meeting. The people were informed on issues and are in a better position to vote for the candidate of his choice Tuesday, April 6.

The apathy of our citizens is appalling! It is commendable that these candidates will take time away from their families and their own activities to serve us. But when we see the small percentage of citizens attending these meetings, I, for one, wonder if it's worthwhile.

My thanks go to all the candidates for making these meetings possible to better inform the citizens who are truly interested in township government.

Very truly yours,
Mrs. Rudy S. Urbano
River Road
Frankfort, Ill.

Mrs. Margaret Buckner, Dies; Rites March 22

Funeral services were conducted at Evansville, Ind. Monday, March 22, for Mrs. Margaret L. Buckner, 38, late of 8720 163rd st., Fernway. Burial was in Park Lawn cemetery at Evansville.

Mrs. Buckner died March 19, following a long illness. She was born in Pennsylvania, March 11, 1927, and had been a resident of this area for the past dozen years. Services were conducted at the Schmaedeke funeral home, Orland Park, Saturday, March 20, and the body was then taken to Evansville where she had spent her childhood.

Besides her husband, Roy, Mrs. Buckner is survived by five daughters and a son, Judy Masek, Donna Johnson, Linda Jean, Roeline, Shirlee and Ricky; her mother, Mrs. Arline Douglass and a sister, Mrs. Thelma Gray, of Evansville, and another sister, Mrs. Dorothy Odom, of Park Forest.

Surface Water A Problem In Many Municipalities

Mokena, like other municipalities with central sanitary sewer systems and sewage disposal plants, is having trouble in carrying off excess water after rains.

Too much surface water is going into the sanitary sewers, according to Trustee Marvin Weitendorf. A smoke test in a small area revealed 53 leaks, he stated, and urges that the board authorize such a test for the entire village.

Such tests show where downspouts are hooked into the sanitary sewer and this is one source of the water trouble at the sewage plant, according to Engineer Ralph Yunker. Field tile that carry away a lot of the surface water in the village also deposit their loads in the sanitary system, Yunker said.

Frankfort has similar trouble after rains and Orland Park is in the same boat, it was reported. Some of the water draining into the

sanitary sewers, engineers point out, comes from foundation drains. According to state law such drains, as well as roof water should not be permitted to run into sanitary sewers.

Orland Park has a situation in areas where driveways slope to permit the use of basements as garages. After rains, heavy or medium,

the water rushes down these drives and into basements and down basement drains into the sanitary sewers, it is reported.

Mokena contractors who make sewer and water connections are warned by the board to properly backfill the ditches carrying the pipe. Weitendorf reported several instances where such ditches are skinking. Apparently, he said, no stone was used in backfilling.

Mokena board is considering purchase of radar equipment to aid police in curbing traffic violations.

Craft Classes Are Open At Foundation Center

Spring craft classes at Community Center Foundation, 11.7 and 127th st., Palos Park, got under way this week.

As usual there are two adult ceramic classes, two adult painting classes and two Saturday morning children's classes.

The ceramic classes will

be held on Tuesday mornings from 10 to 11:30 o'clock and Wednesday evenings from 7:30 to 9:00. A number of methods of modeling in clay are taught, as well as help given for special projects.

The painting classes are scheduled for Tuesday afternoons from 1 to 3 o'clock and Thursday evenings from 7:30 to 9:30. A different course is offered in each series of classes. The spring painting series will be in figure drawing and any medium may be used.

The children's classes on Saturday mornings will be held from 9 to 10:30 for those 6 thru 9 years of age and from 10:30 to 12 noon for ages 10 and over. These classes will begin April 3. An interesting and varied program is said to be planned for the youngsters.

Mrs. David Hurwich, of Palos Park, will be the instructor for the ceramic classes and Mrs. Marvin Kutchinski, of Palos Heights, for the painting classes. Mrs. Olive Nielsen, Palos Heights, will teach the children's classes.

Decal Sale Now On For Lincoln-Way High Band

Donations are now being received for the Lincoln-Way Band Boosters vehicle sticker drive now in progress. The majority of decals have been sent to area residents encompassing the Lincoln-Way District, with others to be mailed as soon as they are received from the printers.

It is said purchasing of the decals may be considered a two-fold purpose. In displaying the sticker on the windshield of an auto it denotes the person is supporting the Booster organization and also serves as a residential sticker. It carries the name of his village. As a village sticker must appear on all trucks traveling in Chicago or other large cities or be subjected

to a fine, the Booster decal serves this purpose for communities that do not issue stickers.

As only one decal is being sent to each resident and as many families today have two cars, additional stickers may be obtained by contacting the following chairmen: Mrs. Burnett Schram, Frankfort; Tony Dina, Mokena; Cecil Baldwin, New Lenox; Conrad Mark, Manhattan or Robert Taylor, band director at Lincoln-Way high school.

The amount of the donation is left to the discretion of the individual as a specific charge is not indicated.

Proceeds from the stickers will be used to help defray the expenses of the Booster organization.
